- 9.3 The Guardians shall represent the interests of the Members as a whole and may respond to, and offer advice upon, any matter relating to the longer term strategy of the Club which may require the commitment of significant financial or other resources. They may also comment upon, or offer advice to, the General Committee on any current issue which they consider would assist the General Committee in its deliberations.
- 9.4 Should the Guardians consider that the General Committee is about to embark on a course of action that will have a serious detrimental effect on the financial stability, image or ethos of the Club they are to bring the matter to the attention of the Commodore in writing. - 11.2 The General Committee may delegate responsibilities to subordinate committees, although authority for implementation of any significant recommendations from these committees will remain with the General Committee. The General Committee is also responsible for authorizing the appointment and tenure of members serving on subordinate committees.
- 11.3 The General Committee may appoint, from time to time, the Secretary to be manager of the Club and may fix and determine the remuneration, the powers and authorities and the period, terms and conditions of appointment of such person and may, subject to the terms of any agreement entered into in any particular case, revoke any such appointment. The General Committee may entrust to and confer upon the Secretary (but subject at all times to the overall supervision and control of the General Committee) any of the powers and authorities exercisable by the General Committee upon such terms and conditions and with such restrictions as the General Committee thinks fit, and may from time to time vary or revoke all or any of such powers or authorities.

Not less than 48 hours' notice of such special meeting shall be given by the Secretary to the members of the General Committee in such manner as the Secretary may deem expedient in the circumstances, and any failure on the part of the Secretary, not due to his or her default, to give such notice to any such member shall not invalidate the meeting.

- 12.2 The quorum for meetings of the General Committee shall be eight elected members (Officers of the Club and General Committee Members). At each meeting of the General Committee, every member present in person shall have one vote. Decision at General Committee meetings shall be by majority vote, and in the case of an equality of votes, the Chairman of the meeting shall have a second or casting vote. - 12.4 If, in the view of the Commodore, or in his absence the Vice Commodore, a matter is of such importance or urgency that its consideration cannot be delayed until the next scheduled General Committee Meeting, and a special meeting of the General Committee is deemed inappropriate, oral or e-mail approval for a course of action may be sought from members of the General Committee, but in all such instances Rule 12.2 shall still apply. Furthermore, if any member, or members of the General Committee consider it essential that the matter be discussed in formal session before a decision is reached, then a special meeting of the General Committee must be called in accordance with Rule 12.1, with any decision(s) deferred until that meeting. Any decision reached under this rule shall be followed, within 24 hours, by confirmation in writing to all members of the General Committee. - 14.3 A vacancy arising in the office of auditors may be filled by the General Committee.

15. Annual General Meeting

- 15.1 The Annual General Meeting of the Club shall be held on a Saturday during April at the clubhouse, the day and hour to be appointed by the General Committee. Not less than 21 days' notice of the Annual General Meeting shall be given to each Member (other than any Member who, by any express provision in these Rules is not entitled to receive such notice or to attend or vote at such meeting) and such notice shall be accompanied by a summary of audited Financial Statements of the Club for the financial period of the Club ended on the immediately preceding 31st December.
- 15.2 No business except the receiving of the Report of the General Committee, adoption of a summary of audited Financial Statements for the preceding year, the election of the Flag Officers, Honorary Treasurer and General Committee members, the appointment of Auditors, and any business that the General Committee may order to be transacted in the notice convening the meeting, shall be discussed at such meeting unless written notice in accordance with Rule 15.3 has been given to the Secretary by a Member entitled to vote.
- 15.3 Any Member who is entitled to attend and vote at General Meetings of the Club may at the Annual General Meeting move the adoption, repeal, or alteration of any Rule or Bye-Law, or move any other resolution, provided that he/she gives written notice of his/her intended motion, specifying its object, to the Secretary not later than the 1st January prior to the date of the Annual General Meeting. Details of all proposed member resolutions, except those under Rule 13, will be notified to Members by 15th January in each year, so that a Member who wishes to propose a relevant alternative to any of the proposed resolutions may notify the Secretary by the following 1st February. Members' resolutions and alternatives, together with a brief statement of object, will be included in the Notice of the Annual General Meeting.

16. Special General Meetings

- 16.1 A Special General Meeting shall be summoned by the Secretary on his/her receiving

a requisition in writing to do so from: (a) any Flag Officer; (b) the Guardians in accordance with Rule 9.4; (c) the Honorary Treasurer; (d) any three elected members of the General Committee; (e) at least twenty Members of the Club who are entitled to attend and vote at General Meetings of the Club, OR one fifth of the total membership, whichever is least. The person or persons requisitioning such a meeting shall specify the object in writing and, if appropriate, shall set out fully the wording of any Resolution to be proposed. On receipt of such a requisition the General Committee shall, after consulting the person or persons requisitioning the Meeting, fix a date and time for such Meeting which date shall be within forty days of the date of requisition notice. At least twenty-one days' Notice of the Special General Meeting (including the object of any Resolution and the Committee's recommendation) shall be sent by the Secretary to every Member of the Club entitled to attend and vote at General Meetings and shall be posted in the Club House.

16.2 No other subject than that thus specified shall be discussed or dealt with at a Special General Meeting.

17. Proceedings at General Meetings

17.1 The senior Flag Officer present shall be the Chairman of all General Meetings, but should no Flag Officer be present at the time appointed for holding the Meeting, the Members present shall elect one of their number to act as Chairman during the absence of the Flag Officers.

17.2 At a General Meeting, thirty Members present in person shall form a quorum. If within half an hour of the time appointed for a General Meeting a quorum is not present, the Meeting shall stand adjourned to the same day in the next week, at the same time and the same place. At any adjourned meeting those Members of the Club present (whatever their number) shall form a quorum and may transact the business for which the General Meeting was called.

17.3 Every question at a General Meeting (unless otherwise expressly provided by these Rules) shall be decided by a majority of votes and every Member of the Club entitled to vote at General Meetings shall have one vote. In the case of equality of votes the Chairman shall have a second or casting vote on any matter other than election of members of the Committee. Members who will be absent from any General Meeting may appoint an alternative person to vote on their behalf, including how they may wish that person to vote, using the appropriate form issued by the Secretary.

17.4 At any General Meeting, unless a poll is demanded in accordance with Rule 17.5, a declaration by the Chairman that a resolution has been carried, or carried by a particular majority or lost or not so carried, shall be conclusive.

17.5 The Chairman of a General Meeting may demand a poll. In any other case, if a poll be demanded at a General Meeting, the demand must be supported by at least ten Members present and entitled to vote thereat. A poll shall be taken at such time and

in such manner, whether by postal vote or otherwise, as the Chairman of the Meeting shall decide, but it must be taken within 14 days of the Meeting at which it was demanded. The result of the poll as declared by the Chairman shall be deemed to be the resolution of the Meeting at which the poll was demanded.

- 17.6 Whenever there is competition in the case of elections of Flag Officers or the Honorary Treasurer or elections of members to the General Committee, the matter shall be put to the vote of those so entitled, whether in person at the meeting, or by post (including by proxy). If the number of candidates for election is equal to or less than the number of vacancies to be filled, then all candidates shall be deemed to be elected if the majority of those present at the Annual General Meeting, and entitled to vote, vote in favour of such election. In the event of the ballot failing to determine an election because of an equality of votes the candidate or candidates to be elected from those having an equal number of votes shall be determined by lot.
- 17.7 At any General Meeting all Members may vote save Members under the age of 18 years, Temporary Members and also ex-Officio Honorary Members.

18. Rescinding Resolutions

When a resolution has been passed at a General Meeting of the Club or at a meeting of the General Committee, that resolution can only be rescinded after a special notice of motion or agenda item has been formally raised, discussed and agreed by the General Committee or at a subsequent General Meeting.

 3. Category E2, F2 or N2 membership is applicable to couples living at the same address and in a long-term relationship. If a couple falls into different categories, (for example an E2 and F2), the amount they will be charged will be one x E2 and one x F2 rate.
 4. A Family Membership will include the whole family, regardless of the number of children, as long as they are under 18.
 5. Temporary Memberships will be of a duration not exceeding 30 days in total (once only). The Temporary Member must deposit an amount of money specified by the Secretary on an allocated Club Card.
 6. As defined on the Membership Application Form, a Registration Fee is additionally payable in respect of each new Member aged 18 or over. In the case of a couple or family joining at the same time, only one Registration Fee is payable. A lesser Registration Fee may be required for ex-Members seeking re-instatement or for new or ex-Members joining an existing membership account. Each new membership account will be issued with a Club Payment Card. Normally the full amount of the Registration Fee will be credited to this Club Payment Card, but this arrangement may be altered by the General Committee.
- 20.2 For the purposes of this Rule, a Full Member is a Member aged 18 years or over with the exception of Temporary Members.
- 20.3 The election of candidates to all classes of membership shall be the responsibility, and shall be at the discretion, of the General Committee.
- 20.4 All candidates for membership as Full Members, and Overseas Members, excluding Life and Honorary Life, must be proposed and seconded by two Full Members from two separate households and of not less than two years' standing as Full Members.
- 20.5 A person who is, or is eligible for election as, a Full Member or a Junior Member, and whose usual place of abode is outside the United Kingdom of Great Britain and

Northern Ireland, the Republic of Ireland, the Isle of Man or the Channel Islands, or who by reason of his or her profession or occupation is likely to be resident outside those territories for more than 18 months, may at any time prior to 1st October in any year, apply to be admitted as an Overseas Member of the Club with effect from the following year. If the General Committee is satisfied that such be the case, the applicant may be admitted by the General Committee to such class of membership as from the following year. The General Committee may cancel a person's classification as an Overseas Member at any time, if in the opinion of the General Committee, circumstances affecting that person's usual abode or residency have changed such that membership as an Overseas Member has ceased to be applicable to him or her and, in that event, the person concerned shall, as from the date of the General Committee's resolution to cancel such classification, become a Full Member or Junior Member, as appropriate and liable from the date of such resolution to pay the subscription applicable to a Full Member or Junior Member (as the case may be).

- 20.6 The General Committee shall have the power to admit any person as an Honorary Member, Honorary Life Member or ex-Officio Honorary Member, on such terms as it may think fit, but the total number of such Members shall not at any one time exceed five per cent of the total number of Full Members. The Secretary shall give to a person admitted as an Honorary Member, Honorary Life Member or ex-Officio Honorary Member written notice of their election together with a copy of these Rules and, upon such person indicating in writing their willingness to accept such membership, they shall become an Honorary Member or, as the case may be, Honorary Life Member or ex-Officio Honorary Member of the Club. Neither an Honorary Member nor an Honorary Life Member nor ex-Officio Honorary Member shall pay a registration fee or any subscription (but shall not be entitled to a refund of all or any part of any fee or subscriptions previously paid by them). Honorary Members, Honorary Life Members and ex-Officio Honorary Members shall, subject to rule 17.7, be entitled to all the privileges and benefits of full membership of the Club.
- 20.6.1 The General Committee shall have the power to withdraw, suspend or terminate Honorary Membership, Honorary Life Membership or ex-Officio Honorary Membership, on such terms as it may think fit, and it may do so on grounds that include, but need not be limited to, a matter that falls to be dealt with under Rule 23. If the General Committee decides that Honorary Membership, Honorary Life Membership or ex-Officio Honorary Membership is to be withdrawn, suspended or terminated, the Secretary shall give the Member concerned written notice of the decision, the reasons for it, and a copy of these Rules. The General Committee may ask the Secretary to invite that Member to apply for standard Membership of the Club.
- 20.7 The General Committee shall have power to elect Temporary Members, on such terms as it may determine, for any period not exceeding 30 days in total or (in exceptional circumstances) such longer period not exceeding one year as approved by the General Committee. Every candidate for Temporary Membership shall be

proposed and seconded, in writing, to the Secretary. The issue of Temporary Membership may be delegated to the Secretary by the General Committee.

- 20.7.1 Temporary Members shall not be called upon to pay any registration fee but shall pay such subscription and deposit such amount on an allocated Club Payment Card as the General Committee may determine. Temporary Members shall be entitled to all the benefits and privileges of membership, except that no voting rights accrue, nor may they purchase or wear any item bearing the Club Insignia.
- 20.8 Any person who is, or is eligible to become, a Full Member of the Club may, upon such terms as the General Committee may think fit (including, without limitation, by the making of lump sum payments to the Club, the compounding of annual subscriptions or by way of inducement or reward in connection with the raising of funds, the acquisition of assets or the incurring of expenditure by the Club), be admitted to life membership and, having been so admitted, such person shall continue as a Life Member unless and until he or she resigns or is expelled or otherwise removed as a Member in accordance with these Rules. A Life Member shall be entitled to all the privileges and benefits of full membership of the Club.
- 20.9 Each proposal for membership as a Full Member, Junior Member and Overseas Member must be submitted on the specified form showing the Candidate's name and address, date of birth, profession or business, vessels owned and Clubs of which he or she is a Member. The Proposal Form shall be signed by the Proposer and the Secunder, and shall be accompanied by supporting letters giving all material particulars as to their knowledge of the Candidate. The particulars from the Proposal Form together with the names of the Proposer and Secunder shall be posted in the Clubhouse for not less than fourteen days prior to election. Proposals for membership will be scrutinized by the Vice Commodore's Committee for ratification by the General Committee. If Vice Commodore Committee Members cannot reach a unanimous decision about a prospective Member, then such cases will trigger a secret ballot at General Committee. Reservations from any General Committee member would also trigger a secret ballot. In such cases, three dissenting votes would result in the rejection of an application for membership.
- 20.10 The admission of a person to Junior membership shall require the written consent of a Parent or Guardian of the person concerned, such form of consent to bring Rule 29.4 to the specific attention of such Parent or Guardian.

21. Subscriptions and Registration Fees

- 21.1 With the exception of Honorary Members, Members shall, upon their election as such, pay a Registration Fee and this may, at the discretion of the General Committee, be suspended or reduced in special circumstances. All Members shall pay an annual subscription unless otherwise provided in these Rules or, in the case of Life Members, in the terms of such membership. Registration fees and subscriptions may be of differing amounts for differing categories or classes of membership. Subject to Rule 21.2, the respective amounts of registration fees and

subscriptions for the different categories and classes of membership shall be as from time to time determined by the members of the General Committee.

- 21.2 All registration fees and subscriptions may be increased with effect from 1st January in each year by a maximum amount of 10% above the previous year's rates plus the percentage increase in the amount of the Retail Price Index (as defined below) prevailing on the preceding 31st July for the twelve months prior to such 31st July. The new subscription and registration fee shall be rounded up to the nearest pound. For the purposes of this Rule, "Retail Price Index" means the Retail Price Index published by the Central Statistical Office or, if such index ceases to be published, such other index as is published by HM Government as an indication of increases in cost of living and so that, if the bases upon which such Retail Price Index or other index are compiled shall differ in any respect which, in the opinion of the General Committee (after consultation with the Auditors) is material, then the amounts of any increase in fees and subscriptions pursuant to this Rule shall be adjusted in such manner as the General Committee shall in its opinion (after consultation with the Auditors) consider to be fair and reasonable to take account of such difference(s). Subject to the foregoing, the respective amounts for the time being of registration fees, and subscriptions for the differing classes of membership of the Club, may not be altered except by resolution of the Members of the Club passed in General Meeting.
- 21.3 Depending on legislation that might come into force, all registration fees and subscriptions may be liable to Value Added Tax at the applicable rate from time to time in force.
- 21.4 Changes of liabilities to pay differing subscriptions arising from a Member moving from one age group to another shall take effect at the end of the calendar year in which the specified age is attained. Annual subscriptions shall be due and payable by 1st January in each year, or by such other date as the General Committee may from time to time determine. A Member whose annual subscription is more than three months in arrears shall not be entitled to have any say in the management of the Club or the elections of Flag Officers, the Honorary Treasurer, members of the General Committee or Members of the Club nor shall he or she be entitled to receive notice of or to vote at any General Meeting of the Club.
- 21.5 Registration fees and subscriptions shall be paid by such method or methods as the General Committee may from time to time require or accept. The normal method of payment will be annually, via Direct Debit but authority may be delegated to the Secretary to authorise stage payments by Direct Debit or other means.
- 21.6 Annual membership subscriptions will be pro-rated on a monthly basis. A person elected to membership before 1st January in any year shall pay the registration fee and full subscription for that year. Persons elected after 1st January shall pay the registration fee and one twelfth of the annual subscription for each remaining month of that year including the month of election.

21.7 The General Committee shall give no less than two months' notice to each Member of the Club of the amount of the subscription payable by him or her for the year commencing on the next following 1st January. Such notice shall, except in the case of Members paying by way of Direct Debit, request payment of the relevant amount of subscription to be made not later than the following 31st December.

21.8 The General Committee may, if it thinks fit, offer a discount on the amount of subscriptions payable for any year (whether for all subscriptions or for specified types of subscription levels) by way of inducement for prompt payment provided that any such discount shall automatically be extended to Members paying their subscriptions of the type concerned by direct debit. Alternatively, an additional charge of up to ten per cent of the subscription may be levied upon Members whose subscriptions are not paid in full within fourteen days of the due date.

22. Resignations

22.1 Members wishing to withdraw from membership of the Club must give notice, in writing, to the Secretary on or before the 30th November immediately prior to the year as from which such withdrawal is to take effect, otherwise they will be liable for the full amount of the relevant subscription payable for that year.

22.2 The General Committee shall have discretionary powers to reinstate a Member who has resigned without that Member being called upon to pay a further Registration Fee.

23. Complaints, Expulsion and Removal from Membership

23.1 Compliance with Club Rules

23.1.1 Any refusal to comply with or neglect of these Rules and the current Bye-laws of the Club, or any conduct unworthy of a Member or otherwise injurious to the interests of the Club, shall render a Member liable to disciplinary action by the General Committee, which may include a reprimand, suspension for a specified period or expulsion.

23.1.2 No Member shall admit onto Club premises a person whose application for membership has been rejected or who has been suspended, expelled, or prohibited from entering the Club.

23.2 Complaints Procedure
