## **NOTICES TO COMPETITORS**

The Flag Officers and Members of the Royal Solent Yacht Club extend a warm welcome to competitors as visitors to the Club. They are requested to acquaint themselves with the rules of the Royal Solent Yacht Club, particularly those concerning dress.

### **AVOIDING POSSIBLE COLLISION WITH FERRIES**

Competitors are reminded that under rule 9 (b) of the International Regulations for Preventing Collisions at Sea “a vessel of less than 20 metres in length or a sailing vessel shall not impede the passage of any other vessel navigating within a narrow channel or fairway”. The approach to Yarmouth Harbour between the Harbour East buoy and the harbour is considered to be a fairway.

**Ferries have extreme difficulty in strong winds and tides when approaching or leaving Yarmouth Harbour and competitors should err on the side of safety and give way early if there is any possible doubt.**

### **RYA RACING CHARTER**

Competitors should note that the Royal Solent Yacht Club implements the RYA Racing Charter and they will be required to undertake to sail in accordance with the Charter, which can be found in the front pages of the World Sailing Racing Rules of Sailing or at <https://www.rya.org.uk/racing/rules/racing-charter>

Competitors are alerted to the fact that exceptionally strong tides occur in the Western Solent. However well tethered, the buoys in a strong tide are not necessarily vertically above their anchor. Vessels should ensure that they keep well clear especially if they have very deep or winged keels.

### **START COMMITTEE BOAT LOCATIONS:**

These will be announced prior to racing by VHF / WhatsApp by 0830 each day.

Another attempt to send the Declaration should be made or call the RSYC Sailing Office on 01983 766140 to report the Declaration issue.
- 15. PROTESTS AND REQUESTS FOR REDRESS**

- (e) The provision of a race management team, patrol boats and other officials and volunteers by the race organiser does not relieve them of their own responsibilities;
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) it is their responsibility to familiarise themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
- (h) Boats shall comply with their class safety regulations (if any).
- (i) All boats should carry a visual means of attracting attention when in distress, a suitable tow rope and secure means of attachment to enable a tow.
